June 10, 2008

Dear Parents,

As always, when a new school year begins our rates are reviewed and increased. In their June meeting, the Board of Directors of Ozaukee Day Care & Learning Centers approved the attached new fee schedule for childcare costs. These new rates will come into effect on **September 1, 2008**.

One major event that we are very excited about is the completion of the brand new Grafton center!! These new rates reflect the high quality of care a brand new center will offer the growing community in Grafton.

The school age rates for children 6 and up have remained the same so that Ozaukee Day Care can and will stay competitive with the other after school programs in the area.

Another change is the creation of a half day AM only rate with lunch and a half day PM rate that does not include lunch. Both centers will be serving lunch for all classrooms at 11:30AM. Children enrolled in the AM programs will need to be picked up no later than 12:00PM to open space for children enrolled in the PM program.

It is very important for our parents to know that being non-profit, every dollar we receive goes back into the center through wages, food, rent, and supplies. These rate increases will enable us to provide wage increases for the individuals who care for your child as well as improve all equipment and facilities.

If you have any questions regarding these changes, please feel free to talk to Lisa Clarke in the Business Office.

LET'S HAVE A GREAT SCHOOL YEAR!!!!
